\$20

**CHEF'S
TIP**

In Step 1, make sure to slice your onion as thinly as possible. The thinner your slices, the sweeter and more tender your caramelized onion will be. Pro tip: Break out your sharpest knife (it really helps!).

MORE is MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Halve, peel, and thinly slice **onion**. Peel and finely chop **garlic**.

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **½ cup pasta cooking water** (1 cup for 4 servings), then drain.

3.

While pasta cooks, heat a **large drizzle of oil** in a large pan over medium–high heat. Add **onion**; cook, stirring occasionally, until browned and softened, 8–10 minutes. Add **1 tsp sugar** (2 tsp for 4 servings) and a **splash of plain water**; cook until onion is caramelized, 2–3 minutes more. Season with **salt** and **pepper**. Turn off heat; transfer to a plate. Wipe out pan.

4.

Heat a **drizzle of oil** in same pan over medium–high heat. Add **beef, thyme, and garlic**; season with **salt** and **pepper**. Cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes. Turn off heat. Carefully drain any excess fat from pan.

5.

Add **caramelized onion, cream sauce base, and stock concentrates** to pan with **beef** over medium–low heat. Stir to combine. Add **drained pasta** and toss to coat. Stir in **reserved pasta cooking water** a splash at a time until everything is coated in a creamy sauce. Taste and season with **salt** and **pepper**.

6.

Divide **pasta** between bowls and top with **cheese**.

*Ground Meat is fully cooked when internal temperature reaches 160°.
