CHEF'S TIP

Want to nail the perfect pot of rice? Once the water boils, immediately cover the pot with a tight-fitting lid and reduce the heat. Simmer until no water remains (resisting the urge to peek!). Finally, let the pot sit off heat while you finish cooking. This allows the moisture to redistribute, giving you tender, fluffy grains.

MORE is MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Peel and finely chop **garlic**. Melt **1 TBSP butter** (2 TBSP for 4 servings) in a small pot over medium-high heat. Add half the garlic; cook until fragrant, 30 seconds. Stir in **rice**, **1¼ cups water**, **half the stock concentrates** (you'll use the rest later), **half the turmeric**, **1 tsp Southwest Spice Blend** (you'll use more later), and a **big pinch of salt**. (For 4, use **2¼ cups water**, **all the turmeric**, and **2 tsp Southwest Spice Blend**.) Bring to a boil; cover and reduce to a low simmer. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

2.

While rice cooks, halve, peel, and thinly slice **onion**; finely chop a few slices until you have **2 TBSP** (4 TBSP for 4 servings). Dice **tomato**. Finely chop **cilantro**. Zest and quarter **lime**. Halve, core, and thinly slice **green pepper** into strips. Drain and rinse **beans**.

3.

In a small bowl, combine **chopped onion**, **tomato**, **half the cilantro**, and **juice from half the lime**. Season with **salt** and **pepper**. In a separate small bowl, combine **sour cream** with a **squeeze of lime juice** and a **pinch of lime zest**. (Stir in a dash of **hot sauce from your pantry if you like!**) Add **water** 1 tsp at a time until mixture reaches a drizzling consistency. Season with **salt**.

4.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **green pepper** and season with **salt** and **pepper**. Cook, stirring, until slightly softened, 3–4 minutes. Add another **drizzle of oil** and **sliced onion**; season with **salt** and **pepper**. Cook, stirring, until veggies are tender, 4–6 minutes more. (If needed, add a **splash of water to help veggies soften**.)

5.

While veggies cook, heat a **drizzle of oil** in a medium pot over medium-high heat. Add **remaining garlic**; cook, stirring, until fragrant, 30 seconds. Stir in **beans**, **remaining stock concentrate**, **½ cup water** (½ cup for 4 servings), **1 tsp Southwest Spice Blend** (2 tsp for 4; be sure to measure), and a **pinch of salt and pepper**. Simmer, stirring occasionally, until thickened, 5–10 minutes. Remove from heat; stir in **1 TBSP butter** until melted.

6.

Fluff **rice** with a fork and season with **salt** to taste. Divide **rice**, **beans**, and **veggies** between bowls in separate sections. Top with **salsa** (draining first). Drizzle with **crema** and sprinkle with **remaining cilantro**. If you've got some on hand, drizzle with **hot sauce** from your pantry if desired. Serve with any **remaining lime wedges** on the side.
