CHEF'S
TIP

Happen to have some Parm hanging out in your fridge? Grate it up (if it isn't pre-shredded) and sprinkle over your soup to really take it over the top. Just say when!

MORE is MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 425 degrees. (If you have a toaster oven, you can skip the preheating!) Place **1 TBSP butter** (2 TBSP for 4 servings) in a small bowl; bring to room temperature. **Wash and dry produce.** Trim and thinly slice **mushrooms** (skip if your mushrooms are pre-sliced!). Halve, peel, and finely dice **onion**. Trim and thinly slice **scallions**, separating whites from greens.

2.

Heat a **drizzle of oil** in a medium pot (use a large pot for 4 servings) over medium-high heat. Add **mushrooms** and cook, undisturbed, until mushrooms begin to brown, 2-3 minutes. Stir in **onion** and **scallion whites**; cook, stirring occasionally, until veggies are softened, 2-3 minutes more. Season with **salt** and **pepper**. Transfer **veggies** to a plate and reduce heat to medium.

3.

Add **4 TBSP butter**, **½ tsp thyme**, and **¾ tsp garlic powder** to same pot. (For 4 servings, use **8 TBSP butter**, **1 tsp thyme**, and **1½ tsp garlic powder**.) Cook, stirring, until mixture is fragrant and butter has melted, 1-2 minutes. Add **¼ cup flour** (**½ cup for 4**); cook, stirring constantly, until golden brown, 1-2 minutes.

4.

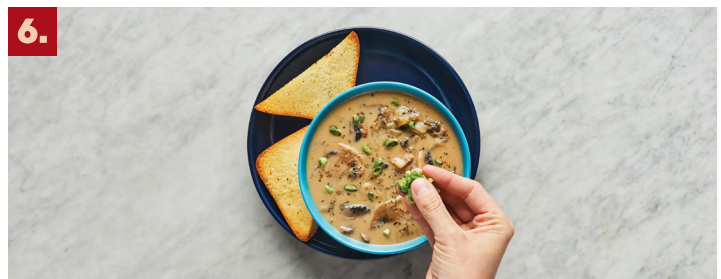

Slowly stir in **1 cup milk** (2 cups for 4 servings) until fully incorporated. Add **stock concentrates**, **2 cups water**, and **1 tsp salt** (use 4 cups water and 2 tsp salt for 4); stir to combine. Bring to a boil, then reduce heat to medium low. Return **veggies** to pot and simmer, stirring occasionally, until thickened, 8-10 minutes. Turn off heat and stir in **sour cream**; taste and season with **salt** and **pepper** if desired. If soup seems too thick, stir in a splash of water (or cream, for a luxe experience).

5.

Meanwhile, add **remaining garlic powder** and a **pinch of salt** and **pepper** to bowl with **softened butter**; stir to combine. Halve **ciabatta** and spread cut sides with **garlic butter**. Toast, cut sides up, directly on oven rack until golden brown, 3-5 minutes (or simply use your toaster oven). Halve **garlic bread** on a diagonal.

6.

Divide **soup** between bowls and top with **scallion greens**. Serve **garlic bread** on the side.
