CHEF'S TIP

Why do we tell you to cut your carrots on a diagonal in Step 1? The sharp angles of these bias cuts (in chef speak) won't make the veggies taste any different, but they do make for a striking restaurant-style presentation. Pinkies up!

MORE is MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position (**top and middle positions for 4 servings**) and preheat oven to 425 degrees. **Wash and dry produce.** Trim, peel, and cut **carrots** on a diagonal into ½-inch-thick pieces. Toss carrots on one side of a baking sheet with a **drizzle of oil, salt, and pepper.** (**For 4, spread carrots across entire sheet.**) Roast on middle rack for 5 minutes (**you'll add more to the sheet then**).

2.

Meanwhile, trim and halve **zucchini** crosswise, then cut lengthwise into sticks (**like fries—ours were 3 inches long and ½ inch wide**). Halve, peel, and finely chop **half the shallot** (**all for 4 servings**).

3.

Once carrots have roasted for 5 minutes, carefully toss **zucchini** on opposite side of baking sheet with a **drizzle of oil, salt, and pepper.** (**For 4 servings, leave carrots roasting. Toss zucchini on a second sheet and roast on top rack, swapping rack positions halfway through.**) Return to oven and roast on middle rack until veggies are browned and tender, 15–18 minutes more.

4.

Meanwhile, pat **pork** dry with paper towels and season all over with **salt and pepper.** Heat a **drizzle of oil** in a large pan over medium-high heat. Add pork; cook until browned and cooked through, 4–5 minutes per side. Turn off heat; transfer to a plate and cover to keep warm. Remove pan from heat to cool for 1 minute.

5.

Return same pan to medium heat (**if pan is dry, add a drizzle of oil**). Add **shallot** and cook, stirring, until softened, 3–4 minutes. Remove from heat. Stir in **dressing, sour cream, and 2 TBSP water (4 TBSP for 4 servings)**; whisk until well combined and glossy, 1–2 minutes. Taste and season with **salt and pepper** if desired.

6.

Cut **pork** crosswise into slices; divide between plates with **veggies** alongside. Top pork with as much **pan sauce** as you like. Serve any remaining sauce on the side for dipping.

*Pork is fully cooked when internal temperature reaches 145°.
