**CHEF'S  
TIP**

Did you know that cilantro stems are edible and packed with flavor? Since they're slightly less tender than the leaves, chop them as finely as possible in Step 1. Less food waste, more flavor!

## **MORE is MORE**

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

**1.**

Bring **5 cups water** (9 cups for 4 servings) to a simmer in a medium pot. Wash and dry produce. Roughly chop **cilantro**, including tender stems.

**2.**

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken and season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Transfer to a plate. Add **rice** and **curry powder** to pan; cook, stirring, until rice is evenly coated. Add **tomato paste** and cook, stirring, until rice is coated and tomato paste is brick red in color, about 1 minute.

**3.**

Add **stock concentrates** and **1 cup simmering water** to pan with **rice**; stir until liquid has mostly absorbed. Repeat with remaining simmering water—adding ½ cup at a time and stirring until liquid has mostly absorbed—until rice is al dente and mixture is creamy, 25–30 minutes. Reduce heat to low. (Depending on the size of your pan, you may need a little more or a little less water. If you prefer your risotto a little more al dente, cook for less time.)

**4.**

Stir **chicken**, **cream cheese**, and **three-quarters of the cream sauce base** into pan with **rice mixture**. Season generously with **salt** and **pepper**. Stir in **2 TBSP butter** (4 TBSP for 4 servings) until melted.

**5.**

Divide **risotto** between bowls. Drizzle with **remaining cream sauce base** and sprinkle with **cilantro**.

*\*Poultry is fully cooked when internal temperature reaches 165°.*
