CHEF'S
TIP

Go condiment wild! Take your cues from the Indian inspiration of this dish and serve your favorite chutney—like mango, tamarind, or mint—alongside!

MORE is MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Dice **potatoes** into ½-inch pieces. Halve, peel, and dice **onion**.

2.

Place **potatoes** in a medium pot with enough **salted water** to cover by 2 inches. Bring to a boil and cook until tender, 10–12 minutes. Drain and return potatoes to pot. Keep covered off heat until ready to mash in Step 5.

3.

While potatoes cook, heat a **drizzle of oil** in a medium pan (**large pan for 4 servings**) over medium-high heat. Add **onion** and cook, stirring occasionally, until beginning to soften, 2–3 minutes. Add **beef** and season with **salt** and **pepper**. Cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes. **TIP:** If there's excess grease in your pan, carefully pour it out.

4.

Add **tomato paste**, **garlic powder**, **half the curry powder**, and **2 tsp sugar** (**4 tsp for 4 servings**) to pan with **beef**; cook, stirring, until tomato paste is brick red in color, 30–60 seconds. Stir in **1 TBSP butter** (**2 TBSP for 4**) until melted, then sprinkle with **2 TBSP flour** (**4 TBSP for 4**). Cook, stirring, until flour is lightly browned, 1–2 minutes.

5.

Slowly pour **¾ cup water** (**1½ cups for 4 servings**) into pan, stirring, until thoroughly combined. Stir in **stock concentrates** and **peas**. Bring to a simmer and cook, stirring, until thickened, 2–3 minutes. (If mixture seems too thick, stir in a splash more water.) Meanwhile, mash **potatoes** with **¼ cup milk**, **1 TBSP butter**, and **1 tsp curry powder** until creamy (**½ cup milk, 2 TBSP butter, and 2 tsp curry powder for 4**). Taste and season with **salt** and **pepper**.

6.

Spread **mashed potatoes** on top of **beef mixture**, leaving a one-inch gap around edge of pan. Evenly sprinkle with **crispy fried onions**. Divide **curried cottage pie** between plates or serve family style.

*Ground Meat is fully cooked when internal temperature reaches 160°.
