\$20

**CHEF'S
TIP**

Happen to have some Parm hanging out in your fridge? Grate it up (if it isn't pre-shredded) and sprinkle over your pasta to really take it over the top. Just say when!

MORE is MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Trim and halve **zucchini** lengthwise; finely dice into ¼-inch-thick pieces. Halve, peel, and finely chop **onion**.

2.

Remove **sausage** from casing if necessary; discard casing. Heat a **drizzle of oil** in a large pan over medium-high heat. Add **zucchini** and **onion**; season with **salt** and **pepper**. Cook, stirring occasionally, until softened, 3 minutes. Add sausage and a **pinch of chili flakes** from your pantry if desired; cook, stirring occasionally, until veggies are browned and tender and sausage is cooked through, 4–5 minutes.

3.

Once water is boiling, add **pasta** to pot. Cook until al dente, 9–11 minutes. Reserve **½ cup pasta cooking water** (**1 cup for 4 servings**), then drain.

4.

Add **tomato paste** to pan with **sausage mixture**; stir until well combined. Remove from heat; stir in **stock concentrate**, **cream cheese**, and **¼ cup milk** (**½ cup for 4 servings**). Mix until well combined, then stir in **drained pasta**. (If needed, stir in **reserved pasta cooking water** a splash at a time until pasta is coated in a **creamy sauce**.) Taste and season with **salt** and **pepper**.

5.

Divide **pasta** between bowls and serve.

*Ground Meat is fully cooked when internal temperature reaches 160°.
