\$20

Leftover beef bulgogi? Serve it over rice or tuck it into quesadillas for an extra boost of protein and flavor!

MORE is MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Halve, peel, and thinly slice **half the onion**; finely dice remaining onion. Zest and quarter **lime**. Peel and finely chop **garlic**. Trim and discard root end from **lettuce**; separate leaves.

2.

In a medium microwave-safe bowl, combine **sliced onion**, $\frac{1}{4}$ tsp **sugar** ($\frac{1}{2}$ tsp for 4 servings), **juice from half the lime**, and a **pinch of salt**. Cover with plastic wrap and microwave until tender and bright pink, 30–60 seconds. Uncover and set aside to pickle, stirring occasionally.

3.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **beef and diced onion**; season with **salt and pepper**. Cook, breaking up meat into pieces, until browned and cooked through, 4–5 minutes. (TIP: If there's excess grease in your pan, carefully pour it out.) Stir in **garlic** and **bulgogi sauce**. Cook, stirring, until sauce has thickened and beef is coated, 1–2 minutes more.

4.

Meanwhile, in a small bowl, combine **2 TBSP mayonnaise** (**4 TBSP for 4 servings**), a **squeeze of lime juice**, and a **pinch of lime zest**. Add **water** 1 tsp at a time until mixture reaches a drizzling consistency.

5.

Divide **lettuce leaves** between plates; fill with **beef bulgogi**. Top with **pickled onion** (**draining first**). Drizzle with **lime mayo** and garnish with **wonton strips**. Serve with any **remaining lime wedges** on the side.

*Ground Meat is fully cooked when internal temperature reaches 160°.
