\$20

CHEF'S
TIP

For extra-crispy chicken, fry in batches, spacing the pieces apart in a single layer and adding more oil between batches as necessary. Be sure to give the fresh oil enough time to heat up before adding more chicken.

MORE is MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 400 degrees. **Wash and dry produce.** In a large bowl, combine **coleslaw mix**, **2 TBSP mayonnaise**, **1 tsp vinegar**, and **½ tsp sugar** (4 TBSP mayonnaise, 2 tsp vinegar, and 1 tsp sugar for 4 servings); season with **salt** and **pepper** to taste and toss to combine. In a small bowl, combine **dressing**, **BBQ sauce**, **1 TBSP ketchup**, and **1 TBSP mayonnaise** (2 TBSP ketchup and 2 TBSP mayonnaise for 4).

3.

Place **3 TBSP butter** (6 TBSP for 4 servings) in a second small microwave-safe bowl; microwave until melted, 30–45 seconds. Stir in **honey**, **salt**, and **pepper**. Remove **biscuits** from package; place on a baking sheet, spacing at least 2 inches apart. Brush tops of biscuits with **half the honey butter** (save the rest for serving). Bake on middle rack until golden brown, 8–11 minutes.

5.

Heat a **½-inch layer of oil** in a large pan over medium-high heat. Once oil is hot enough that a **pinch of flour mixture** sizzles when added to the pan, add **coated chicken** in a single layer without crowding the pan (you may need to cook in batches). Cook, turning occasionally, until golden brown and cooked through, 6–8 minutes. (If chicken begins to brown too quickly, lower that heat!) Transfer to a paper-towel-lined plate; season with **salt**.

2.

Combine **cornstarch**, **garlic powder**, **half the Fry Seasoning** (you'll use the rest later), and **¾ cup flour** (1½ cups for 4 servings) in a shallow dish. Crack **one egg** (two eggs for 4) in a separate shallow dish; beat with **2 TBSP water** (4 TBSP for 4). Season both dishes with **salt** and **pepper**.

4.

Pat **chicken** dry with paper towels; cut into 1-inch pieces and season all over with **remaining Fry Seasoning**, **salt**, and **pepper**. Working a few pieces at a time, toss chicken in **seasoned flour mixture** until fully coated. Gently shake off excess, then dip into **beaten egg** to coat. Let excess egg drip off, then toss in seasoned flour mixture again until fully coated. (For less mess, use tongs to dip and transfer!)

6.

Halve **biscuits** and brush cut sides with **remaining honey butter**. Divide **popcorn chicken** and **coleslaw** between plates; add as many biscuits as you like. Serve with **special sauce** on the side for dipping.

*Poultry is fully cooked when internal temperature reaches 165°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.
