CHEF'S
TIP

If you look closely, you'll see that your steak naturally has lines running through it. In order to ensure maximum tenderness, we want you to slice perpendicular to those lines, aka "against the grain."

MORE is MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust racks to top and middle positions and preheat oven to 450 degrees. **Wash and dry produce.** Grate **Parmesan** over a small bowl (**skip if pre-shredded**). Crush **peppercorns** in their bag with a rolling pin or heavy-bottomed pan. Dice **potatoes** into ½-inch pieces; toss on a baking sheet with a **drizzle of oil**, half the **Parmesan**, **salt**, and a **big pinch of crushed peppercorns**. Roast on top rack, tossing halfway through, until golden brown and crispy, 20–25 minutes (**you'll roast the asparagus after 10 minutes**).

3.

Once potatoes have roasted 10 minutes, toss **asparagus** on a second baking sheet with a **drizzle of oil**, **salt**, and **pepper**. Roast on middle rack until tender, 10–12 minutes.

2.

Meanwhile, trim and discard bottom 1 inch from **asparagus**. Halve, peel, and thinly slice **shallot**. Thinly slice **chives**.

4.

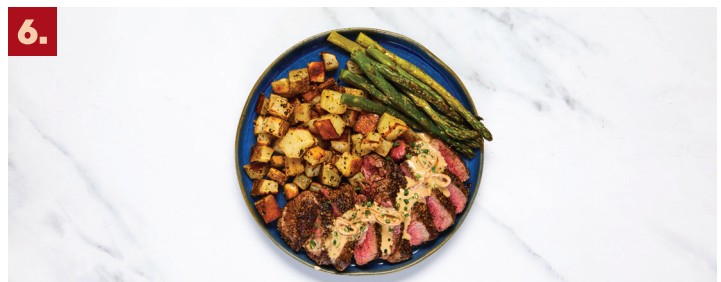

While asparagus roasts, pat **steak** dry with paper towels; season all over with **salt** and **crushed peppercorns** (we used 1 tsp crushed peppercorns; 2 tsp for 4 servings—you'll use more later). Heat a **drizzle of oil** in a large pan over medium-high heat. Add steak and cook to desired doneness, 3–5 minutes per side. Transfer to a cutting board to rest; turn off heat. Wash out pan.

5.

Heat a **drizzle of oil** in same pan over medium-high heat. Add **shallot**; cook until softened, 2–3 minutes. Stir in **stock concentrate** and ¼ cup **water** (⅓ cup for 4 servings); simmer until slightly thickened, 2–3 minutes. Remove pan from heat, then stir in **sour cream**, **half the chives**, and 1 TBSP **butter** (2 TBSP for 4). Season generously with **crushed peppercorns**.

6.

Slice **steak** against the grain; divide between plates along with **potatoes** and **asparagus**. Garnish potatoes with **remaining Parmesan**. Drizzle steak with **sauce** and sprinkle with **remaining chives**.

*Beef is fully cooked when internal temperature reaches 145°.
