MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position (**middle and bottom positions for 4 servings**) and preheat oven to 425 degrees. **Wash and dry produce.** Peel and dice **sweet potatoes** into ½-inch pieces. (**Skip if your sweet potatoes are pre-cut!**) Finely chop **pecans**. Trim and halve **zucchini** lengthwise, then slice into ½-inch-thick half-moons.

2.

Place **sweet potatoes** in a medium pot with enough **salted water to cover by 2 inches**. Bring to a boil and cook until tender, 10–12 minutes. Drain and reserve pot.

3.

Place **1 TBSP butter** (**2 TBSP for 4 servings**) in a small microwave-safe bowl; microwave until melted, 30 seconds. Add **pecans, panko, rosemary**, and a **pinch of salt and pepper**; stir to combine.

4.

Pat **chicken** dry with paper towels and season all over with **salt and pepper**. Place on one side of a baking sheet (**for 4 servings, arrange chicken across entire sheet**). Spread tops of chicken with **1 tsp mayonnaise** each; mound with **panko mixture**, pressing to adhere (**no need to coat the undersides**). Toss **zucchini** on empty side of sheet with a **drizzle of oil, salt, and pepper** (**for 4, toss zucchini on a second baking sheet**). Roast on middle rack until chicken is cooked through, panko is golden brown, and zucchini is browned and tender, 15–20 minutes. (**For 4, roast zucchini on middle rack and chicken on bottom rack.**)

5.

Meanwhile, melt **3 TBSP butter** (**6 TBSP for 4 servings**) in pot used for sweet potatoes over medium-high heat. Cook, stirring frequently, until butter is foamy and flecked with amber brown bits, 1–2 minutes. Turn off heat. Add cooked **sweet potatoes** and season with **salt and pepper**; mash until smooth.

6.

Divide **chicken, zucchini, and sweet potatoes** between plates.

*Poultry is fully cooked when internal temperature reaches 165°.
