MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**. Dice **potatoes** into ½-inch pieces.

2.

Pat **chicken** dry with paper towels and cut into 1-inch pieces. Melt **2 TBSP butter** (**4 TBSP for 4 servings**) in a medium pot over medium-high heat. Add chicken and season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes.

3.

Add **scallion whites**, **garlic**, and **half the paprika** (**all for 4 servings**) to pot with **chicken**. Cook, stirring, until fragrant, 30 seconds. Add **1 TBSP flour** (**2 TBSP for 4**) and cook, stirring, until lightly browned, 1–2 minutes. Stir in **tomato paste** and **oregano**; cook until brick red in color, 1 minute.

4.

Slowly stir **1 cup milk** and **1½ cups water** into pot with **chicken mixture** (**2 cups milk and 2½ cups water for 4 servings**). Add **potatoes** and **stock concentrates**; season generously with **salt** and **pepper**. Bring to a boil, then reduce heat to medium low (**the soup should be simmering gently**). Cook, stirring occasionally, until potatoes are tender and soup has slightly thickened, 12–15 minutes.

5.

Once potatoes are tender, stir in **sour cream** until fully incorporated. If soup becomes too thick, add **splashes of water**. Season with **salt** and **pepper** to taste.

6.

Divide **soup** between bowls and garnish with **scallion greens**.
