When prepping your chickpeas (aka garbanzo beans), you'll wanna get them as dry as possible to help them roast to crispy perfection. (The more moisture there is on the surface, the more likely they are to steam.) After draining and rinsing the 'banzos, place them on a layer of paper towels and pat dry while rolling the beans to dry on all sides.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 425 degrees. Drain and rinse **chickpeas**; dry thoroughly with paper towels. Toss chickpeas on a baking sheet with a **large drizzle of oil**, **2 tsp Tunisian Spice Blend** (**4 tsp for 4 servings; be sure to measure—we sent more**), **salt**, and **pepper**. Roast until browned and crispy, 18–20 minutes. (**It's natural for chickpeas to pop a bit while roasting!**)

2.

Meanwhile, **wash and dry produce**. Halve, peel, and finely chop **shallot**. Pick and finely chop **fronds from dill**. Zest and quarter **lemon**. Dice **tomato** into ½-inch pieces. Trim and halve **cucumber** lengthwise; thinly slice crosswise into half-moons.

Open package of **chicken** and drain off any excess liquid or rinse **shrimp** under cold water and pat dry with paper towels. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken or shrimp and season with **salt** and **pepper**. Cook, stirring occasionally, until cooked through, 4–6 minutes.

3.

Melt **1 TBSP butter** in a small pot over medium-high heat. Add **half the shallot**; cook, stirring, until softened, 2–3 minutes. Add **couscous**, **stock concentrate**, **¾ cup water** (**1½ cups for 4 servings**), and a **big pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until couscous is tender, 6–8 minutes. Keep covered off heat until ready to serve.

4.

While couscous cooks, in a small bowl, combine **sour cream**, **half the dill**, and **juice from two lemon wedges** (**2–3 wedges for 4 servings**). Sweeten with **honey** to taste. Add **water** 1 tsp at a time until mixture reaches a drizzling consistency. Season with **salt** and **pepper** to taste.

5.

In a medium bowl, combine **tomato**, **cucumber**, **half the lemon zest**, and **remaining shallot**. Drizzle with **1 TBSP olive oil** (**2 TBSP for 4 servings**). Season with **salt** and **pepper**; stir to combine.

6.

Fluff **couscous** with a fork; divide between bowls. Top with **salad** and **roasted chickpeas**. Drizzle with **honey dill sauce**. Garnish with as much **remaining lemon zest** as you like and a **pinch of remaining dill** to taste. Serve with **remaining lemon wedges** on the side.

Top bowls with **chicken** or **shrimp**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Shellfish is fully cooked when internal temperature reaches 145°.
