MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Halve, peel, and finely chop **onion** until you have $\frac{3}{4}$ cup (**1½ cups for 4 servings; use the rest however you like**). Peel and finely chop **garlic**. Cut **tomato** into a medium dice.

2.

Remove **sausage** from casing if necessary; discard casing. Heat a **drizzle of oil** in a large pot over medium-high heat. Add **chopped onion** and season with **salt** and **pepper**. Cook, stirring, until softened, 4–5 minutes. Add sausage, **garlic**, and **half the Italian Seasoning** (**all for 4 servings**). Cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes.

3.

Add **diced tomato** and **tomato paste** to pot with **sausage mixture**. Cook, stirring, until diced tomato has slightly broken down, 2–3 minutes. Stir in **2½ cups water** (**4 cups for 4 servings**), **stock concentrates**, and **plenty of salt and pepper**.

4.

Bring **soup** to a boil, then stir in **couscous**. Cook, stirring often, until couscous is al dente, 8–10 minutes. (**If soup gets too thick, add a splash or two of water!**) Taste and season with **salt** and **pepper**.

5.

Divide **soup** between bowls and grate as much **cheese** on top as you like (**sprinkle if pre-shredded**). (**Have any fresh herbs like basil or parsley on hand? Chop 'em up and sprinkle on top.**)

*Ground Meat is fully cooked when internal temperature reaches 160°.
