Since fondue can stiffen quickly once it's removed from heat, we recommend serving it from the same pot it was made in. You can also use a preheated bowl—simply microwave an empty microwave-safe bowl for about 1–2 minutes to warm it up ahead of serving.

**MORE IS MORE**

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust racks to top and middle positions and preheat oven to 425 degrees. **Wash and dry produce.** Cut **potatoes** into ½-inch-thick wedges. Trim and halve **Brussels sprouts** lengthwise. Toss potatoes on one side of a baking sheet with a **drizzle of oil, half the Fry Seasoning (you'll use the rest later), salt, and pepper.** Toss Brussels sprouts on empty side of sheet with a **drizzle of oil, salt, and pepper.** Roast on top rack until browned and tender, 20–25 minutes. (For 4 servings, spread potatoes and Brussels sprouts out across two separate baking sheets. Roast on top and middle racks, swapping rack positions halfway through.)

2.

Meanwhile, dice **gouda** into ¼-inch pieces. Grate **Parmesan** over a small bowl (skip this step if pre-shredded). Halve, core, and thinly slice **apple**. Halve **baguette** lengthwise, then cut crosswise into ½-inch-thick strips. Toss baguette pieces on a second baking sheet with a **drizzle of olive oil, salt, and pepper.** Bake on middle rack until golden brown and toasted, 6–8 minutes. (For 4 servings, once potatoes are done roasting, carefully wipe off sheet; season and bake baguette pieces as instructed.)

3.

Pat **steak** dry with paper towels, then season all over with **remaining Fry Seasoning, salt, and pepper.** Heat a **drizzle of oil** in a large pan over medium-high heat. Add steak and cook to desired doneness, 3–5 minutes per side. Transfer to a cutting board to rest.

4.

While steak rests, heat **cream sauce base** in a small pot over medium-high heat, stirring frequently, until steaming and very gently bubbling, 1–2 minutes. Reduce heat to medium low. Add **gouda, mozzarella, and Parmesan**, one small handful at a time, alternating and whisking constantly between additions until melted. Remove from heat.

5.

Thinly slice **steak** against the grain. Place steak, **potatoes, Brussels sprouts, apple, and baguette strips** on a large board or platter. Serve with **fondue** for dipping. (If serving fondue in pot, place a trivet or kitchen towel underneath it to protect your surface.)

\*Beef is fully cooked when internal temperature reaches 145°.
