MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 425 degrees. **Wash and dry produce.** Reserve $\frac{1}{4}$ tsp curry powder ($\frac{1}{2}$ tsp for 4 servings) in a small bowl. Peel and very finely chop **garlic**. Zest and quarter **lime**. Peel and very finely chop **ginger**. In a medium bowl, combine **sour cream**, half the garlic, remaining curry powder, **1 TBSP olive oil**, **1 tsp salt**, and juice from half the lime (**2 TBSP olive oil and 2 tsp salt for 4**). Pat **chicken** dry with paper towels and season all over with **salt**. Add to bowl with **marinade** and turn to coat. Set aside to marinate.

2.

Trim **green beans** if necessary. Toss on a baking sheet with a **drizzle of oil**, **salt**, **pepper**, and a **pinch of chili flakes** from your pantry if desired. Roast until browned and tender, 12–15 minutes.

3.

Meanwhile, heat a **drizzle of oil** in a small pot over medium-high heat. Add **1 tsp ginger** (**2 tsp for 4 servings**) and cook, stirring, until fragrant, 30–60 seconds. Add **rice**, $\frac{3}{4}$ cup **water** (**1½ cups for 4**), and a **big pinch of salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15–18 minutes. Keep covered off heat until ready to serve.

4.

To bowl with **reserved curry powder**, add **jam**, $\frac{1}{2}$ tsp **garlic** (**1 tsp for 4 servings**), $\frac{1}{2}$ tsp **ginger** (**1 tsp for 4**), and **juice from remaining lime**. Season with **salt** and **pepper**; stir to combine.

5.

Heat a **drizzle of oil** in a large, preferably nonstick, pan over medium heat. Add **marinated chicken** (**let excess marinade drip off first**) and cook until browned and cooked through, 6–8 minutes per side. (**If chicken begins browning too quickly, lower that heat!**) Transfer to a cutting board. Once chicken is cool enough to handle, thinly slice crosswise.

6.

Fluff **rice** with a fork; stir in **1 TBSP butter** (**2 TBSP for 4 servings**) and a **pinch of lime zest**. Taste and season with **salt** if desired. Divide **rice** between plates and top with **chicken**. Drizzle chicken with **apricot chutney** and sprinkle with remaining lime zest. Serve **roasted green beans** on the side.

*Poultry is fully cooked when internal temperature reaches 165°.
