In Step 4, we instruct you to warm your tortillas in the microwave. If you have a few extra minutes, try charring them in a pan on your stove instead. Working one at a time, toss each tortilla in a dry pan over medium-high heat until lightly charred in spots, 2–3 minutes per side.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Peel and finely chop garlic.

2.

In a medium bowl, combine **half the Sriracha**, **2 TBSP mayonnaise**, and **2 tsp sesame oil** (**4 TBSP mayonnaise and 4 tsp sesame oil for 4 servings**); add **coleslaw mix** and toss to coat. Taste and season with **salt** and **pepper**. In a separate medium bowl, whisk together **cornstarch**, **soy sauce**, remaining Sriracha, remaining sesame oil, **¼ cup water**, and **2 tsp brown sugar** (**½ cup water and 4 tsp brown sugar for 4**).

3.

Heat a **drizzle of oil** in a large pan over medium heat. Add **beef** and **garlic**; season with **salt** and **pepper**. Cook, breaking up meat into pieces, until browned and cooked through, 4–5 minutes; carefully drain any excess grease from pan. Add **soy sauce mixture** (**stir before adding to the pan!**) and stir to combine. Cook until sauce has slightly thickened, 1–2 minutes more.

4.

Wrap **tortillas** in damp paper towels and microwave until warm and pliable, 30 seconds.

5.

Divide **tortillas** between plates and fill with **sesame soy beef** and **slaw**.

*Ground Meat is fully cooked when internal temperature reaches 160°.
