MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

In a small pot, combine **rice**, **1¼ cups water** (**2¼ cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until tender, 15–20 minutes. Keep covered off heat until ready to serve.

2.

Meanwhile, **wash and dry produce**. Trim, peel, and cut **carrots** on a diagonal into ¼-inch-thick pieces. Trim **green beans** if necessary. Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**.

3.

Pat **pork** dry with paper towels and very thinly slice crosswise. Place in a medium bowl and toss with **cornstarch** until coated. Heat a **drizzle of oil** in a large pan over medium-high heat. Add **carrots** and **green beans**; cook, stirring occasionally, until beginning to soften, 2–3 minutes. Add pork and cook, stirring occasionally, until veggies have softened and pork is cooked through, 4–6 minutes. Season with **salt** and **pepper**. Add **scallion whites** and **garlic**; cook, stirring constantly, until fragrant, 30–60 seconds more. Reduce heat to medium low.

Swap in **chicken** or **steak** for pork. Cook, stirring occasionally, until chicken is cooked through, 4–6 minutes, or until steak is cooked to desired doneness, 3–5 minutes.

4.

Add **sweet Thai heat sauce** and **½ cup water** (**¾ cup for 4 servings**) to pan with **pork mixture**. (**TIP: If you like things spicy, add a pinch of chili flakes from your pantry!**) Cook, stirring frequently, until sauce has thickened and everything is coated, 2–3 minutes.

5.

Fluff **rice** with a fork and divide between bowls. Top with **stir-fry** and garnish with **scallion greens**.

*Pork is fully cooked when internal temperature reaches 145°.
*Beef is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.
