MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 425 degrees. **Wash and dry produce.** Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**. Heat a **drizzle of oil** in a small pot over medium-high heat. Add **scallion whites** and garlic; cook, stirring, until fragrant, 1 minute. Stir in **rice** to coat, then add **1 1/4 cups water** (**2 1/4 cups for 4 servings**) and a **pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

2.

While rice cooks, trim, peel, and cut **carrots** on a diagonal into 1/2-inch-thick pieces. Zest and quarter **lime**. Toss carrots on a baking sheet with a **drizzle of oil** and a **pinch of salt and pepper**. Roast until browned and tender, 20–25 minutes.

If you modified your meal, refer to the cooking instructions on the CustomPlate card and use them as a guide to modify your recipe as needed.

3.

Meanwhile, place **1 TBSP butter** (**2 TBSP for 4 servings**) in a small microwave-safe bowl. Microwave until melted, 30 seconds. Stir in **soy sauce**, **chili sauce**, and a **squeeze of lime juice**. Taste and add more lime juice for a tangy punch.

4.

Pat **chicken** dry with paper towels; season all over with **salt and pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken and cook until browned and cooked through, 5–6 minutes per side. Turn off heat; transfer to a cutting board. Once cool enough to handle, thinly slice chicken crosswise.

5.

Toss **roasted carrots** with **lime zest**. Fluff **rice** with a fork; divide between plates and top with **chicken**. Serve carrots on the side. Drizzle chicken with **sauce**. Sprinkle with **scallion greens** and serve with any **remaining lime wedges** on the side.

*Poultry is fully cooked when internal temperature reaches 165°.
