MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 425 degrees. (If you have a toaster oven, feel free to skip preheating.) Wash and dry produce. Halve, peel, and dice **onion**. Peel and finely chop **garlic**. Cut **broccoli** into bite-size pieces.

Heat a large dry pot over medium-high heat. Add **bacon** and cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Wipe out pot.

2.

Melt **2 TBSP butter** (4 TBSP for 4 servings) in a large pot over medium-high heat. Add **onion** and $\frac{3}{4}$ of the **garlic**; season with **salt** and **pepper**. Cook, stirring, until softened and lightly browned, 4–5 minutes.

Use pot used for bacon here.

3.

Add **2 TBSP flour** (4 TBSP for 4 servings) to pot; stir until lightly browned, 1–2 minutes. Gradually stir in **1 cup milk** (2 cups for 4) until fully incorporated. Add **stock concentrates** and **1½ cups water** (2½ cups for 4). Season generously with **salt** and **pepper**. Bring to a simmer and cook, stirring occasionally, until thickened, 6–10 minutes.

4.

Meanwhile, place **remaining garlic** and **2 TBSP olive oil** (4 TBSP for 4 servings) in a small microwave-safe bowl. Microwave until sizzling and fragrant, 30 seconds. Halve **baguette** lengthwise; brush cut sides with **garlic oil** and season with **salt** and **pepper**. Place, cut sides up, on a baking sheet. Toast in oven (or use your toaster oven) until golden brown, 3–5 minutes.

5.

Once **bisque** has thickened, stir in **broccoli**. Cover pot and cook, uncovering to stir occasionally, until smaller broccoli pieces are very tender, 4–6 minutes. Reduce heat to low, then stir in **cream cheese** and **cheddar** until melted. Season generously with **salt** and **pepper**. If bisque has gotten too thick, stir in a **splash more water** (or cream, for an ultra-rich experience). (Feeling extra-cheffy? Blend half the bisque, then stir back into the pot for a smoother texture!)

Once **bacon** is cool enough to handle, roughly chop. Stir half the chopped bacon into **bisque**.

6.

Divide **bisque** between bowls. Dollop with **sour cream**. If you like things spicy, drizzle with **hot sauce** from your pantry to taste. Halve **garlic bread** on a diagonal and serve on the side for dunking.

Sprinkle **bisque** with **remaining chopped bacon**.
