Potatoes ***
(2 | 4)

Bacon *
(4 oz | 8 oz)

If you added or swapped to an ingredient listed here, scan the QR code for **CustomPlate** instructions to get all the info you'll need.

**Chopped
Chicken Breast ***
(10 oz | 20 oz)
Calories: 780

Diced Steak *
(8 oz | 16 oz)
Calories: 820

WHAT YOU'LL NEED

Kosher Salt
Black Pepper

Sugar

Cooking Oil

Olive Oil

Give friends \$20 off their first box and you'll get a \$20 credit when they cook with us. [EveryPlate.com/referral](https://www.everyplate.com/referral)

\$20

In Step 1, make sure to slice your onion as thinly as possible. The thinner your slices, the sweeter and more tender your caramelized onions will be. Pro tip: Break out your sharpest knife (it really helps!).

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 425 degrees. **Wash and dry produce.** Dice **sweet potatoes** into ½-inch pieces. Halve, peel, and thinly slice **onion**. Core, deseed and dice **bell pepper** into ½-inch pieces.

2.

On a baking sheet, toss **sweet potatoes** and **bell pepper** with a **large drizzle of olive oil** and **BBQ Seasoning**; season with **salt** and **pepper**. Roast on middle rack until browned and tender, 18–20 minutes.

3.

Meanwhile, place **bacon** in a single layer in a large dry pan over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat. Using tongs, transfer bacon to a paper-towel-lined plate. Wipe out pan. Once bacon is cool enough to handle, roughly chop.

↔ Open package of **chicken** and drain off any excess liquid or pat **steak** dry with paper towels. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken or steak and season with **salt** and **pepper**. Cook, stirring occasionally, until chicken is browned and cooked through, 4–6 minutes, or steak is cooked to desired doneness, 3–5 minutes. Turn off heat; transfer to a plate. Wipe out pan.

4.

Heat a **drizzle of oil** in pan used for bacon over medium-high heat. Add **onion** and a pinch of **salt** and **pepper**. Cook, stirring occasionally, until softened and lightly browned, 8–10 minutes. Add ¼ cup **water** and 1 tsp **sugar** (⅓ cup **water** and 2 tsp **sugar** for 4 servings); cook, stirring, until onion is caramelized and jammy, 2–3 minutes more. (If onion is finished before sweet potatoes, remove from heat and set aside until ready to use in next step.)

↔ Use pan used for chicken or steak here.

5.

Add **bacon**, **bell pepper**, and **sweet potatoes** to pan with **caramelized onion**. Reduce heat to medium and stir to combine. Sprinkle **hash** with **cheese**; cover pan until cheese melts, 1–2 minutes.

↔ Add **chicken** or **steak** to pan along with bacon.

6.

Drizzle **hash** with **BBQ sauce** and dollop with **sour cream**. Divide between plates or serve family style directly from the pan.

*Pork is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.
*Beef is fully cooked when internal temperature reaches 145°.
