get a \$20 credit when they cook with us.

EveryPlate.com/referral

Give it a rest! (The cooked chicken, that is.) When you let your chicken cutlets stand after cooking (as you will in Step 4), all of their juicy goodness distributes evenly into the meat. The reward? Extra-juicy chicken.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Peel and finely chop **garlic**. Pick **parsley leaves** from stems; roughly chop leaves. Zest and quarter **lemon** (**zest one lemon and quarter both for 4 servings**).

2.

Add **bacon** to a large dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Once bacon is cool enough to handle, roughly chop. Wipe out pan.

3.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve $\frac{1}{2}$ cup **pasta cooking water**, then drain.

4.

Pat **chicken** dry with paper towels and season all over with **half the Fry Seasoning** (**all for 4 servings**), **salt**, and **pepper**. Heat a **drizzle of oil** in pan used for bacon over medium-high heat. Add chicken and cook until browned and cooked through, 5–6 minutes per side (**reduce heat if chicken begins to brown too quickly**). Turn off heat; transfer chicken to a cutting board to rest. Wipe out pan.

5.

Melt **2 TBSP butter** (**4 TBSP for 4 servings**) in same pan over medium-high heat. Add **garlic**; cook, stirring occasionally, until fragrant, 30 seconds. Add **cream sauce base**, **cream cheese**, a **big pinch of salt**, and **pepper**. Cook, stirring, until combined, 2–3 minutes. Stir in **drained pasta** and **peas** and cook, stirring, until peas are warmed through and sauce has thickened slightly, 1–2 minutes more. If needed, stir in **reserved pasta cooking water** a splash at a time until pasta is coated in a creamy sauce. Stir in **half the parsley**, **half the bacon**, a **big squeeze of lemon juice**, and, if you've got some on hand, a **pinch of chili flakes** from your pantry if desired.

6.

Slice **chicken** crosswise. Divide **pasta** between bowls; top with chicken and **remaining bacon**. Sprinkle with **remaining parsley**, and **lemon zest** to taste. Grate as much **Parmesan** on top as you like (**sprinkle if pre-shredded**). Season with as many **chili flakes** from your pantry as you like. Serve with **remaining lemon wedges** on the side.

*Pork is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.
