MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Heat broiler to high. Bring a medium pot of **salted water** to a boil. **Wash and dry produce.** Trim and quarter **zucchini** lengthwise; slice crosswise into 1/4-inch-thick pieces. Peel and finely chop **garlic**.

2.

Heat a **drizzle of oil** in a large, preferably ovenproof, pan over high heat. Add **zucchini** and season with **salt** and **pepper**. Cook, stirring, until browned and tender, 4–5 minutes. Turn off heat; remove from pan and set aside.

3.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1/2 cup pasta cooking water**, then drain.

4.

Meanwhile, heat a **drizzle of oil** in pan used for zucchini over medium-high heat. Add **sausage**; cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes. Add **garlic** and **Italian Seasoning**; cook, stirring, until fragrant, 30 seconds. Stir in **tomato paste** until thoroughly coated.

Open package of **chicken** and drain off any excess liquid. Season all over with **salt** and **pepper**. Swap in chicken for sausage (no need to break meat up into pieces!). Cook through remainder of step as instructed.

5.

Slowly stir **1 cup plain water** (**1 1/2 cups for 4 servings**) into pan with **sausage mixture** until combined. Reduce heat to medium. Simmer, stirring often, until sauce has thickened, 3–5 minutes. Season with **salt** and **pepper**. Stir in **cream cheese** and **1 TBSP butter** (**2 TBSP for 4**) until melted.

6.

Stir in **drained pasta** and **zucchini**. If needed, add **splashes of reserved pasta cooking water** until everything is thoroughly coated in sauce. Taste and season with **salt** and **pepper**. (**If your pan isn't ovenproof, transfer pasta mixture to a baking dish now.**) Evenly top with **mozzarella**. Broil until melted and lightly browned, 2–3 minutes. (**Watch carefully to avoid burning. The broiler is a powerful tool!**) Let cool slightly, then divide between plates.
