MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position (**top and middle positions for 4 servings**) and preheat oven to 450 degrees. **Wash and dry produce.** Halve **bell peppers** lengthwise; remove stems and seeds. Place bell pepper halves, cut sides up, on a baking sheet; drizzle each half with **oil** and rub to evenly coat. Season with **salt** and **pepper**. Roast on top rack until lightly browned and tender, 13–15 minutes (**you'll add more to the sheet then**).

3.

While rice cooks, dice **tomato** into ¼-inch pieces. Halve, peel, and finely dice **onion**. Quarter **lime**. Halve **ciabatta**. Peel and finely chop **garlic**. In a small bowl, combine half the tomato, 2 TBSP onion (**4 TBSP for 4 servings**), and a **squeeze of lime juice**. Season with **salt** and **pepper**. In a separate small microwave-safe bowl, combine **half the garlic powder**, **half the oregano**, and **2 TBSP butter** (**4 TBSP for 4**). Microwave until butter is melted, 30–60 seconds; stir to combine. Brush **garlic butter** onto cut sides of ciabatta halves.

5.

In a third small bowl, combine **queso blanco** and **2 tsp water** (**4 tsp for 4 servings**) until smooth. Once bell peppers have roasted 13–15 minutes, remove sheet from oven. Carefully push **bell pepper halves** to one side of sheet (**for 4, no need to push to one side**); stuff each half with **filling** (**it's OK if it doesn't all fit; reserve remaining filling for serving**) and drizzle with **queso mixture**. Add **ciabatta**, cut sides up, to empty side of sheet (**for 4, place ciabatta on a second sheet and bake on middle rack**). Return to top rack and bake until queso is bubbling and bread is golden, 3–5 minutes.

*Pork is fully cooked when internal temperature reaches 145°.

2.

Meanwhile, in a small pot, combine **rice**, **1¼ cups water** (**2¼ cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to use in Step 4.

4.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **chopped garlic**, **Southwest Spice Blend**, **remaining tomato**, **remaining onion**, **remaining garlic powder**, and **remaining oregano**. Cook, stirring occasionally, until onion is lightly browned and tomato is softened, 5–8 minutes. Fluff **rice** with a fork. Transfer **veggie mixture** to pot with rice; stir to combine.

➡ Add **bacon** to a medium dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Once cool enough to handle, roughly chop.

6.

Halve **garlic bread** on a diagonal. Divide **stuffed peppers** and **garlic bread** between plates. Top stuffed peppers with **pico de gallo**. Serve with any **remaining filling** on the side.

➡ Top **stuffed peppers** with **bacon** along with **pico de gallo**.
