In Step 3, you'll pound your chicken nice and thin between two pieces of plastic wrap. (Psst—you could also use a big zip-close bag.) Think of this process as your weeknight stress reliever and (more importantly) your ticket to fast, even cooking and crispy edges! That's a win-win-win.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 425 degrees. **Wash and dry produce.** Trim **green beans** if necessary. Peel and finely chop **garlic**. Trim and thinly slice **scallions**, separating whites from greens; finely chop whites.

2.

Toss **green beans** on a baking sheet with a **drizzle of oil**, **salt**, **pepper**, and a **pinch of chili flakes** from your pantry if desired (**skip if you don't like things spicy!**). Roast on middle rack until browned and tender, 12–15 minutes. Heat a **drizzle of oil** in a small pot over medium-high heat. Add **half the garlic**; cook, stirring, until fragrant, 1 minute. Stir in **rice** to coat, then add **1 ¼ cups water** (**2 ¼ cups for 4 servings**) and a **pinch of salt**. Bring to a boil, then cover and reduce heat to a low simmer. Cook until rice is tender, 15–18 minutes. Keep covered off heat until ready to serve.

3.

Place **¼ cup flour** (**½ cup for 4 servings**) in a shallow dish; season with **salt** and **pepper**. Pat **chicken** dry with paper towels. Place between two large pieces of plastic wrap; pound with a mallet or heavy-bottomed pan until about ⅓ inch thick. Season all over with **salt** and **pepper**. Working one piece at a time, press chicken into **flour mixture** until fully coated; gently shake off excess. Heat a **large drizzle of oil** in a large pan over medium-high heat. Add chicken; cook until golden brown and cooked through, 3–4 minutes per side. Turn off heat; transfer chicken to a plate. Wipe out pan.

4.

Heat a **drizzle of oil** in same pan over low heat. Add **scallion whites** and **remaining garlic**; cook until fragrant, 30 seconds, then stir in **sweet soy glaze** and **¼ cup water** (**⅓ cup water for 4 servings**). Cook, stirring occasionally, until slightly thickened, 2–3 minutes. Stir in **2 TBSP butter** (**4 TBSP for 4**) until melted and glaze is glossy. Turn off heat, then add **chicken** to pan and turn to coat.

5.

Fluff **rice** with a fork; stir in **1 TBSP butter** (**2 TBSP for 4 servings**) until melted. Taste and season with **salt** and **pepper** if desired. Divide **chicken**, **rice**, and **green beans** between plates. Drizzle chicken with any **remaining glaze** and sprinkle with **scallion greens**.

**Poultry is fully cooked when internal temperature reaches 165°.*
