If you look closely, you'll see that your steak naturally has lines running through it. In order to ensure maximum tenderness, we want you to slice perpendicular to those lines, aka against the grain (as you'll do in Step 6). It'll make the end result ten bajillion times better (scientific fact).

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust racks to top and middle positions and preheat oven to 450 degrees. **Wash and dry produce.** Cut **potatoes** into 1/4-inch-thick rounds. Cut **broccoli** into bite-size pieces. Trim and thinly slice **mushrooms** (skip if your mushrooms are pre-sliced!). Halve, peel, and finely chop **onion** until you have 1/4 cup (1/2 cup for 4 servings). Toss potatoes on a baking sheet with a **drizzle of oil, salt, and pepper**. Roast on top rack for 18–20 minutes (you'll start the broccoli after 5 minutes).

2.

While potatoes roast, pat **steak** dry with paper towels; season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add steak and cook to desired doneness, 3–5 minutes per side. Transfer to a cutting board and tent with foil to keep warm.

3.

Once potatoes have roasted 5 minutes, toss **broccoli** on a second baking sheet with a **drizzle of oil, salt, and pepper**; roast on middle rack until broccoli is tender and potatoes are golden brown and crispy, 12–15 minutes.

4.

Meanwhile, heat a **drizzle of oil** in pan used for steak over medium-high heat. Add **mushrooms** and cook, stirring, until browned and tender, 5–7 minutes. Add **chopped onion** and another **drizzle of oil**. Cook, stirring, until softened, 1–2 minutes.

5.

Stir 1/4 cup **water** (1/2 cup for 4 servings) and **stock concentrate** into pan with **mushroom mixture**. Simmer until slightly thickened, 2–3 minutes. Remove from heat; stir in **sour cream** and 1 Tbsp **butter** (2 Tbsp for 4) until melted and combined. Season generously with **pepper**.

6.

Thinly slice **steak** against the grain. Divide steak, **broccoli**, and **potatoes** between plates. Spoon **mushroom sauce** over steak.

*Beef is fully cooked when internal temperature reaches 145°.
