Bacon
(4 oz | 8 oz)
Calories: 800

WHAT YOU'LL NEED

**Kosher Salt
Black Pepper**

Cooking Oil

Flour
Contains: Wheat

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring **cream cheese** to room temperature. Wash and dry **produce**. Halve, peel, and dice **half the onion** (whole onion for 4 servings) into ¼-inch pieces. Peel and finely chop **garlic**. Cut **potatoes** into a small dice. Remove and discard any large stems from **half the kale** (all for 4); roughly chop into bite-size pieces if needed.

➡ Add **bacon** to a large dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Once bacon is cool enough to handle, roughly chop.

3.

Stir **potatoes**, **stock concentrate**, **half the Italian Seasoning**, **3 cups water**, and **¾ tsp salt** into pot with **sausage mixture** (for 4 servings, use all the Italian Seasoning, 6 cups water, and 1½ tsp salt). Bring to a boil, then reduce to a simmer and cook, stirring occasionally, until potatoes are tender and liquid has slightly reduced, 8–12 minutes. Once potatoes are very tender, mash a few times with a potato masher or fork to help thicken the soup.

5.

Divide **soup** between bowls.

➡ Top **soup** with **remaining bacon**.

2.

Heat a **large drizzle of oil** in a large pot over medium-high heat. Once pot is hot, add **sausage**; cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes. Add **onion** and **garlic**; cook, stirring, until fragrant, 2 minutes. Stir in **2 TBSP flour** (4 TBSP for 4 servings); cook, stirring, until lightly browned, 1 minute.

4.

Add **kale** to pot and cook, stirring occasionally, until kale begins to wilt and soup has thickened, 8–10 minutes. While kale cooks, in a small bowl, whisk together **sour cream** and **cream cheese** until smooth. Turn off heat; stir **sour cream mixture** into **soup** until combined. Taste and season with **salt** and **pepper**.

➡ Add **half the bacon** along with the **sour cream mixture**.
