Want to add even MORE flavor to this already awesome recipe? Try charring your corn! Be sure to drain well and pat the kernels super dry, then cook in a nonstick pan over high heat with a drizzle of oil until golden brown and toasty smelling, 4–6 minutes. Transfer to a bowl until ready to use in Step 5.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 450 degrees. (If you have a toaster oven, feel free to skip the preheating!) Wash and dry produce. Halve, peel, and dice **onion**. Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**. Drain **corn**.

2.

Melt **2 TBSP butter** (**4 TBSP for 4 servings**) in a large pot over medium-high heat. Add **onion** and **scallion whites**; season with **salt** and **pepper**. Cook, stirring, until softened and lightly browned, 4–5 minutes. Add **half the garlic** and cook until fragrant, 30 seconds.

3.

Add **2 TBSP flour** (**4 TBSP for 4 servings**) to pot; stir until lightly browned, 1–2 minutes. Gradually stir in **1 cup milk** (**2 cups for 4**) until fully incorporated. Add **stock concentrates** and **1½ cups water** (**2½ cups for 4**). Season with **salt** and **pepper**. Bring to a boil and cook, stirring occasionally, until thickened, 6–10 minutes.

While soup cooks, add **bacon** to a large, dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Once bacon is cool enough to handle, roughly chop.

4.

Meanwhile, combine **remaining garlic** and **2 TBSP olive oil** (**4 TBSP for 4 servings**) in a small microwave-safe bowl. Microwave until fragrant and sizzling, 30 seconds. Halve **baguette** lengthwise. Brush cut sides with **garlic oil** and season with **salt** and **pepper**. Place, cut sides up, on a baking sheet; toast in oven until golden brown, 3–5 minutes (or simply use your toaster oven).

5.

Once soup has thickened, stir in **cream cheese** and **corn**. Season with **salt** and **pepper**. Reduce heat to low and stir in **cheddar** until melted. Taste and season with **salt** and **pepper**. If soup has gotten too thick, stir in a **splash of water** (or **cream, for a luxe experience**). (If you're feeling extra cheffy, blend half the soup, then stir back into pot for a smoother texture!)

Stir in **half the chopped bacon**.

6.

Divide **soup** between bowls. Top with **sour cream** and **scallion greens**. If you've got some on hand, drizzle soup with **hot sauce** from your pantry if desired. Halve **garlic bread** on a diagonal and serve on the side for dunking.

Top with **remaining chopped bacon**.
