MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position (top and middle positions for 4 servings) and preheat oven to 425 degrees. Wash and dry produce. Dice potatoes into ½-inch pieces. Cut broccoli into bite-size pieces. Peel and finely chop garlic. Finely chop parsley.

2.

Toss potatoes on one side of a baking sheet with a large drizzle of oil, half the paprika (you'll use the rest later), salt, and pepper. Toss broccoli on empty side of sheet with a large drizzle of oil, stock concentrate, salt, and pepper. Roast on middle rack until veggies are lightly browned and tender, 15–20 minutes. (For 4 servings, spread potatoes and broccoli out across two baking sheets. Roast on top and middle racks, swapping positions halfway through.)

3.

While veggies roast, pat steak dry with paper towels and season all over with salt and pepper. Heat a drizzle of oil in a large pan over medium-high heat. Add steak and cook to desired doneness, 3–5 minutes per side. Turn off heat; transfer to a cutting board to rest.

4.

In a small bowl, combine garlic, parsley, oregano, half the vinegar, remaining paprika, 3 TBSP olive oil, salt, and pepper (all the vinegar and 6 TBSP olive oil for 4 servings).

5.

Thinly slice steak against the grain. Divide steak, potatoes, and broccoli between plates in separate sections. Drizzle steak with chimichurri.

*Beef is fully cooked when internal temperature reaches 145°.
