Give friends \$20 off their first box and
you'll get a \$20 credit when they cook
with us. [EveryPlate.com/referral](https://www.everyplate.com/referral)

\$20

Have any fresh herbs—say, some basil or parsley—in the back of your fridge just begging to be used? We highly recommend chopping up a handful and sprinkling over your finished dish!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a medium pot of **salted water** to a boil. **Wash and dry produce.** Trim and halve **zucchini** lengthwise; cut crosswise into ¼-inch-thick half-moons.

2.

Melt **1 TBSP butter** (**2 TBSP for 4 servings**) in a large pan over medium-high heat. Add **half the panko** (**all for 4**), **¼ tsp garlic powder** (**½ tsp for 4; you'll use the rest later**), **salt**, and **pepper**; cook, stirring, until golden and toasted, 1–2 minutes. Turn off heat; transfer to a small bowl. Wipe out pan.

3.

Heat a **drizzle of oil** in same pan over medium-high heat. Add **zucchini**; season with **salt** and **pepper**. Cook, stirring frequently, until browned and tender, 4–7 minutes.

Open package of **chicken** and drain off any excess liquid. Add chicken or **beef** along with zucchini; cook, stirring occasionally, and breaking beef up into pieces, until browned and cooked through, 4–7 minutes.

4.

Meanwhile, once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **½ cup pasta cooking water** (**1 cup for 4 servings**), then drain and set aside.

5.

Reduce heat under pan with **zucchini** to low. Stir in **half the paprika** (**all for 4 servings**), **remaining garlic powder**, and **¼ tsp sugar** (**½ tsp for 4**); cook, stirring, until fragrant, 30 seconds. Stir in **⅓ cup reserved pasta cooking water** (**½ cup for 4**), **mushroom stock concentrate**, **veggie stock concentrate**, **cream cheese**, and **sour cream**. (**If pasta isn't done cooking, ladle water directly from the pot.**) Bring to a simmer and cook, stirring, until thoroughly combined, 1–2 minutes. Taste and season with **salt** and **pepper**.

6.

Stir **drained pasta** into pan with **sauce**. If needed, stir in more **reserved pasta cooking water** a splash at a time until everything is coated in a creamy sauce. Divide pasta between bowls. Sprinkle with **cheese** and top with as much **garlicky panko** as you like.

*Poultry is fully cooked when internal temperature reaches 165°.
*Ground Meat is fully cooked when internal temperature reaches 160°.
