MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 425 degrees. Place **4 TBSP butter** (8 TBSP for 4 servings) in a small microwave-safe bowl; set aside to soften. (TIP: Cut your butter into smaller pieces to soften more quickly and evenly.) Wash and dry produce. Dice **potatoes** into ½-inch pieces. Trim and discard woody bottom ends from **asparagus**. Finely chop **parsley**, including tender stems. Peel and finely chop **garlic**. Grate **Parmesan** over a separate small bowl.

2.

Add **potatoes** to a medium pot with enough **salted water to cover by 2 inches**. Bring to a boil and cook until tender, 10–12 minutes. Drain and return potatoes to pot. Toss **asparagus** and **almonds** on a baking sheet with a **drizzle of oil**, **salt**, and **pepper**. Roast on top rack until asparagus is browned and tender, 12–15 minutes. If **butter** has not yet softened, microwave in 10-second intervals until softened but not melted. Once softened, stir in **half the garlic powder**, **1 TBSP parsley**, **¼ tsp truffle seasoning**, and a **pinch of salt and pepper** until smooth (2 TBSP parsley and ½ tsp truffle seasoning for 4 servings).

3.

Pat **steak** dry with paper towels and season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add steak and cook to desired doneness, 3–5 minutes per side. Turn off heat. Transfer to a cutting board to rest; tent with foil to keep warm. Wipe out pan. While steak cooks, rinse **shrimp** under cold water, then pat dry with paper towels. When pan used for steak is dry, heat a **drizzle of oil** over medium-high heat. Add shrimp and season with **salt** and **pepper**. Cook, stirring occasionally, until shrimp begin to turn pink, 1–2 minutes (they'll finish cooking in the next step).

4.

Reduce heat under pan with **shrimp** to medium low; stir in **chopped garlic** and **remaining garlic powder**. Add **sun-dried tomato paste**, **cream cheese**, **stock concentrate**, **half the Parmesan**, and **¼ cup water** (½ cup for 4 servings). Cook, stirring, until sauce is smooth and shrimp are opaque and cooked through, 1–2 minutes. Add **half the remaining parsley** and stir to combine.

5.

Mash **potatoes** with **half the truffle butter**, **remaining Parmesan**, and **¼ cup milk** (½ cup for 4 servings) until smooth and creamy. Taste and season generously with **salt** and **pepper**.

6.

Once **steak** has rested at least 5 minutes, thinly slice against the grain. Divide steak, **shrimp**, **mashed potatoes**, and **asparagus** between plates. Top steak with **remaining truffle butter**. Sprinkle shrimp with **remaining parsley**.
