MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 425 degrees. **Wash and dry produce.** Cut **potatoes** into ½-inch-thick wedges. Trim and thinly slice **cucumber** into rounds. Halve **baguettes** lengthwise. Halve **cheese slices** (you should have four rectangles; eight rectangles for 4 servings).

2.

Toss **potatoes** on a baking sheet with a drizzle of oil, half the **Fry Seasoning** (you'll use the rest later), salt, and pepper. Roast on middle rack until browned and crispy, 20–25 minutes.

3.

While potatoes roast, in a small microwave-safe bowl, combine **cucumber**, vinegar, 2 TBSP water, ½ tsp sugar, and a pinch of salt (4 TBSP water and 1 tsp sugar for 4 servings). Cover tightly with plastic wrap and microwave until dark green and translucent (like pickles from a jar!), 1–2 minutes. Set aside to cool, stirring occasionally.

4.

Heat a drizzle of oil in a large pan over medium-high heat. Add **pulled pork** and **remaining Fry Seasoning**. Cook, breaking up meat with a spoon, until browned and warmed through, 3–4 minutes. Remove pan from heat. Spread cut sides of **baguettes** with **mustard**. Fill with **pork mixture**. Evenly layer with **cheese** and as many **pickles** (draining first) as you like. Close to form **sandwiches**. Wipe out pan.

5.

Heat a drizzle of oil in pan used for pulled pork over medium heat. Add **sandwiches** and press down firmly with a heavy-bottomed pan (Cubanos are very flat and crispy, so don't be afraid to use a little muscle!). (For 4 servings, you may need to work in batches.) Cook, pressing down, until bread is toasted and cheese melts, 2–4 minutes per side. Turn off heat; transfer **Cubanos** to a cutting board.

6.

Halve **Cubanos** on a diagonal. Divide Cubanos, **fries**, and any **remaining pickles** (draining first) between plates. If you have some on hand, serve with **ketchup** or **mayonnaise** for dipping.
