MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 450 degrees. Cut **2 TBSP butter (4 TBSP for 4 servings)** into ½-inch cubes and place in a small microwave-safe bowl; bring to room temperature. **Wash and dry produce.** Peel and dice **sweet potatoes** into ½-inch pieces. Cut **broccoli** into bite-size pieces.

2.

Place **sweet potatoes** in a medium pot with enough **salted water to cover by 2 inches**. Bring to a boil and cook until tender, 15–20 minutes. Drain and set aside. (Keep empty pot handy for Step 5.)

3.

Meanwhile, toss **broccoli** on a baking sheet with a **large drizzle of olive oil, salt, and pepper**. Peel **garlic**; place cloves in the center of a small piece of foil. Drizzle with **olive oil**, season with **salt and pepper**, and cinch into a packet. Place on same sheet. Roast on top rack until broccoli is browned and tender, 12–15 minutes. Transfer broccoli to a plate. Return sheet to top rack until garlic is tender, 3–5 minutes more. Once garlic is done, carefully open packet and let cloves cool slightly.

4.

While broccoli and garlic roast, finely chop **chives**. Pat **steak** dry with paper towels and season generously with **salt and pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add steak and cook to desired doneness, 3–5 minutes per side. Turn off heat; transfer to a cutting board to rest. Tent with foil to keep warm.

5.

Melt **2 TBSP butter (4 TBSP for 4 servings)** in pot used for sweet potatoes over medium heat. Cook, stirring, until butter is foamy and flecked with amber brown bits, 1–2 minutes. (Take a whiff—it should smell deliciously nutty!) Return **drained sweet potatoes** to pot and mash with **sour cream** until smooth and creamy. Season with **salt and pepper**.

6.

Mash **roasted garlic cloves** with a fork until smooth. Stir into bowl with **cubed softened butter (if butter is not yet softened, microwave for 5–10 seconds)**, along with **mustard, half the chives, salt, and pepper**. (Psst—make sure the garlic has cooled before adding so the butter doesn't melt!) Slice **steak** against the grain. Divide steak, **broccoli**, and **mashed sweet potatoes** between plates. Top sweet potatoes with remaining chives and dollop steak with **roasted garlic Dijon butter**.

*Beef is fully cooked when internal temperature reaches 145°.
