MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

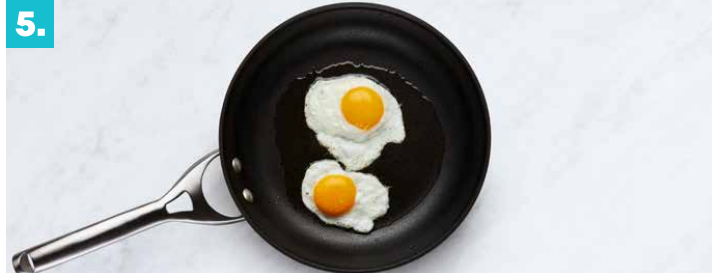

Adjust rack to top position (top and middle positions for 4 servings) and preheat oven to 450 degrees. **Wash and dry produce.** Trim and thinly slice **scallions**, separating whites from greens. Peel and dice **sweet potatoes** into ½-inch pieces (for speedier spud prep, skip the peeling!). Cut **broccoli** into bite-size pieces. Open and drain **tofu**; press out excess water with paper towels. Halve crosswise, then stand tofu upright and halve vertically. Lay flat and cut into ½-inch cubes.

3.

While rice cooks, toss **sweet potatoes** on one side of a baking sheet with a drizzle of oil, half the Fry Seasoning (all for 4 servings), salt, and pepper. (For 4, spread across entire sheet.) Roast on top rack for 12 minutes, then carefully toss **broccoli** on empty side with a drizzle of oil, salt, and pepper. (For 4, leave sweet potatoes roasting; toss broccoli on a separate sheet and roast on middle rack.) Roast until veggies are browned and tender, 12–15 minutes more.

5.

Heat a drizzle of oil in a medium, preferably nonstick, pan. Add **tofu**; season with salt and pepper. Using a spatula, arrange into an even layer. Cook, undisturbed, until browned on bottom, 3–4 minutes. Continue to cook, stirring occasionally, until tofu is browned, 3–4 minutes more. Turn off heat; add **chili sauce** to pan and stir until coated. Transfer tofu to a plate; wipe out pan. Heat a drizzle of oil in same pan over medium heat. Once hot, crack **two eggs** (four eggs for 4) into pan and cover. (For 4, you may want to cook eggs in batches.) Fry eggs to preference. Season with salt and pepper.

Open package of **chicken** and drain off any excess liquid. Swap in chicken or **beef** for tofu; cook, stirring frequently, until browned and cooked through, 4–6 minutes. Cook through the rest of this step as instructed.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.

*Poultry is fully cooked when internal temperature reaches 165°.

*Ground Meat is fully cooked when internal temperature reaches 160°.

2.

Melt **1 TBSP butter** (2 TBSP for 4 servings) in a small pot over medium-high heat. Add **scallion whites**; cook until softened, 1 minute. Stir in **rice**, **1 ¼ cups water** (2 ¼ cups for 4), and **1 tsp salt** (2 tsp for 4). Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

4.

Meanwhile, trim and dice **cucumber**. Zest and quarter **lime**. In a small bowl, combine cucumber, juice from half the lime, ¼ tsp sugar (½ tsp for 4 servings), and a pinch of salt. In a separate small bowl, combine **4 TBSP mayonnaise** (8 TBSP for 4), **Sriracha**, and a squeeze of lime juice to taste. Season with salt.

6.

Fluff **rice** with a fork; stir in **lime zest** and a pinch of salt. Divide rice between bowls and top with **roasted veggies**, **pickled cucumber** (draining first), **tofu**, and a **fried egg**. Drizzle with **Sriracha mayo** and sprinkle with **scallion greens**. Serve with any remaining **lime wedges** on the side.
