Ever wonder why we ask you to separate the white parts of scallions from the green ones? Well, the whites are super oniony and take better to cooking, while the green tops make for a fresh topping or mix-in.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position (middle and top positions for 4 servings) and preheat oven to 425 degrees. Wash and dry produce. Cut sweet potatoes into ½-inch-thick wedges. Trim and quarter Brussels sprouts (halve any smaller sprouts). Toss sweet potatoes on one side of a baking sheet with a drizzle of oil, salt, and pepper. (For 4, spread sweet potatoes out across entire sheet.) Roast on top rack for 10 minutes (you'll add more to the sheet then).

↔ Cut broccoli into bite-size pieces or trim green beans if necessary. (You'll roast them in Step 5.)

3.

In a small bowl, combine BBQ sauce, ¼ cup ketchup, 1 tsp BBQ seasoning, 1½ tsp brown sugar, and a big pinch of pepper. (For 4 servings, use ½ cup ketchup, 2 tsp BBQ seasoning, and 3 tsp brown sugar.) (If you don't have brown sugar, swap in an equal amount of white sugar.) Reserve half the BBQ ketchup in a separate small bowl for serving. In a third small bowl, combine honey, mustard, and 2 TBSP mayonnaise (4 TBSP for 4).

5.

Once sweet potatoes have roasted 10 minutes, remove baking sheet from oven. Carefully toss Brussels sprouts with sweet potatoes along with a drizzle of oil, salt, and pepper (if needed, push veggies to one side of the sheet to make room for meatloaves). Add meatloaves to empty side of sheet and brush tops with remaining BBQ ketchup. (For 4 servings, leave sweet potatoes roasting; add Brussels sprouts and meatloaves to a second sheet and roast on middle rack.) Return to top rack until veggies are browned and tender and meatloaves are cooked through, 16–18 minutes more.

↔ Swap in broccoli or green beans for sweet potatoes. Roast 15–18 minutes, until broccoli or green beans are browned and tender and meatloaves are cooked through. If broccoli or green beans are done first, remove from sheet and return meatloaves to oven until cooked through.

*Ground Meat is fully cooked when internal temperature reaches 160°.

2.

While sweet potatoes roast, trim and thinly slice scallions, separating whites from greens; finely chop whites. Peel and finely chop garlic.

4.

In a medium bowl, combine beef, scallion whites, garlic, half the panko, remaining BBQ seasoning, ¾ tsp salt, and pepper. (For 4 servings, use all the panko and 1½ tsp salt.) Form into two 1-inch-tall loaves (four loaves for 4).

6.

Divide meatloaves and Brussels sprouts and sweet potatoes between plates. Sprinkle meatloaves with scallion greens. Serve with reserved BBQ ketchup and honey mustard on the side for dipping.
