MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring **5 cups water (9 cups for 4 servings)** to a simmer in a medium pot. **Wash and dry produce.** Pat **chicken** dry with paper towels and season all over with **half the Italian Seasoning (all for 4)**, **salt**, and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken and cook until browned and cooked through, 5-6 minutes per side. Turn off heat; transfer to a plate. Wipe out pan.

↔ Rinse **shrimp** under cold water, then pat dry with paper towels. Swap in shrimp for chicken; cook, stirring occasionally, until cooked through, 4-6 minutes.

2.

Meanwhile, trim and quarter **zucchini** lengthwise; slice crosswise into ½-inch-thick quarter-moons. Halve, peel, and finely chop **shallot**. Peel and finely chop **garlic**. Grate **Parmesan** over a small bowl (**skip this step if pre-shredded**). Zest and quarter **lemon**.

3.

Heat a **drizzle of oil** in pan used for chicken over medium heat. Add **zucchini, shallot**, and **garlic**; season with **salt** and **pepper**. Cook, stirring, until beginning to soften, 2-3 minutes. Add **rice** and cook, stirring, until translucent, 1-2 minutes more.

↔ Use pan used for shrimp here.

4.

Add **veggie bouillon** and **1 cup simmering water** to pan with **rice mixture**; stir until liquid has mostly absorbed. Repeat with remaining simmering water—adding ½ cup at a time and stirring until liquid has mostly absorbed—until rice is al dente and mixture is creamy, 25-30 minutes. Reduce heat to low. (Depending on the size of your pan, you may need a little more or a little less water. If you prefer your risotto a little more al dente, cook for less time.)

5.

Stir **cream sauce base**, **peas**, and **half the Parmesan** into pan with **rice mixture**. Season generously with **salt** and **pepper**. Stir in **2 TBSP butter (4 TBSP for 4 servings)**, a **squeeze of lemon juice**, and a **pinch of lemon zest**.

6.

Slice **chicken** crosswise. Divide **risotto** between bowls; top with chicken and **remaining Parmesan**. Serve with **remaining lemon wedges** on the side.

↔ Top **risotto** with **shrimp** and **remaining Parmesan**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Shellfish is fully cooked when internal temperature reaches 145°.
