CHEF'S TIP

To add a fun *crrrunch* to your dish, try garnishing the plated pasta with almonds, toasted panko, or BOTH! (You can thank us later.)

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Halve **tomatoes**. Peel and finely chop **garlic**. Remove and discard any large stems from **kale**; roughly chop into bite-size pieces. Zest and quarter **lemon**.

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **⅔ cup pasta cooking water** (1 cup for 4 servings), then drain.

3.

Meanwhile, heat a **drizzle of oil** in a large pan over medium heat. Add **tomatoes** and cook, stirring occasionally, until blistered, 1 minute. Add **garlic**, **kale**, **half the Italian Seasoning** (all for 4 servings), **salt**, and **pepper**. Cook, stirring occasionally, until garlic is fragrant and kale is slightly softened, 2–3 minutes. Add **½ cup reserved pasta cooking water** (⅔ cup for 4); simmer until veggies are tender and liquid has reduced by half, 2–3 minutes more.

4.

Stir **cream cheese** into pan with **veggies** until thoroughly combined. Reduce heat to low, then add **drained pasta**, a **pinch of lemon zest**, **half the Parmesan**, and **2 TBSP butter** (4 TBSP for 4 servings). Season generously with **salt** and **pepper**. Toss until everything is coated in a creamy sauce, adding more pasta cooking water a splash at a time as needed. Taste and add as much **lemon juice** as you'd like.

5.

Divide **pasta** between bowls and top with **remaining Parmesan**. Serve with any **remaining lemon wedges** on the side.
