CHEF'S TIP

Beef (or chicken) it up! Add any leftover steak, grilled chicken, or even tofu to this pasta to up its protein power.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Halve **tomatoes** lengthwise. Peel and finely chop **garlic**. Halve, peel, and finely chop **shallot**. Zest and quarter **lemon**.

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **½ cup pasta cooking water** (1 cup for 4 servings), then drain.

3.

While pasta cooks, in a large bowl, combine **arugula**, **tomatoes**, and **dressing**. Set aside.

4.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **garlic** and **shallot**; season with **salt** and **pepper**. Cook, stirring, until softened, 3–4 minutes. Reduce heat to low; add **cream sauce base**, **miso sauce concentrates**, **cream cheese**, and a **pinch of lemon zest**. Stir until well combined. Taste and season with **salt** and **pepper**.

5.

Stir **drained pasta** and a **squeeze of lemon juice** into pan with **sauce**, adding **splashes of reserved pasta cooking water** as needed, until everything is coated in a creamy sauce. Taste and season with **salt** and **pepper**.

6.

Divide **pasta** between bowls. Garnish with **Parmesan**. (If you like things spicy, add a pinch of chili flakes from your pantry.) Divide **salad** between plates and garnish with **croutons**. Serve with any **remaining lemon wedges** on the side.
