CHEF'S TIP

Set out your favorite hot sauce so everyone can add an extra kick of heat to their queso mac and cheese.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Halve, core, and dice **green pepper** into ½-inch pieces. Dice **tomato** into ½-inch pieces. Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water** (1½ cups for 4 servings), then drain and set aside. Reserve pot.

2.

While pasta cooks, heat a **drizzle of oil** in a large pan over medium-high heat. Add **green pepper**, **salt**, and **pepper**. Cook, stirring occasionally, until tender, 4–5 minutes. Turn off heat; transfer to a plate. Wipe out pan.

3.

Pat **steak** dry with paper towels and season all over with **salt** and **pepper**. Heat a **drizzle of oil** in pan used for green pepper over medium-high heat. Add steak and cook to desired doneness, 3–5 minutes per side. Turn off heat. Transfer to a cutting board to rest. Tent with foil to keep warm.

4.

In a medium bowl, whisk together **¼ cup milk** and **1 tsp cornstarch** (½ cup milk and 2 tsp cornstarch for 4 servings). Heat pot used for pasta over medium heat; add **cream sauce base**, **cream cheese**, and **queso blanco**, then whisk in **cornstarch mixture**. Bring to a simmer and cook, whisking frequently, until slightly thickened, 1–2 minutes. (If sauce is too thick, add splashes of reserved pasta cooking water as needed.) Remove from heat; stir in **drained pasta**, **green pepper**, and **tomato** until well combined.

5.

Toss **mixed greens** and **dressing** in a large bowl. Thinly slice **steak** against the grain. Divide **queso mac and cheese** between bowls; top with **Monterey Jack**. Divide steak and **salad** between plates. Drizzle steak with **chimichurri** and top salad with **croutons**.

**Beef is fully cooked when internal temperature reaches 145°.*
