If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Zest and quarter **lemon**. Peel and finely chop **garlic**. Trim and halve **zucchini** lengthwise; cut crosswise into ½-inch-thick half-moons. Halve, peel, and dice **onion**. Drain and rinse **chickpeas**. Roughly chop **cilantro**.

3.

Melt **1 TBSP butter** (**2 TBSP for 4 servings**) in a medium pot over medium-high heat. Add **half the remaining garlic** and cook until fragrant, 30 seconds. Add **couscous** and stir to coat. Add **¾ cup water** (**1½ cups for 4**), **half the stock concentrates** (**you'll use the rest later**), and a **big pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until couscous is tender, 6–8 minutes. Drain any excess liquid if necessary. Keep covered off heat until ready to serve.

Pat **chicken** or **salmon** dry with paper towels and season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large, preferably nonstick, pan over medium-high heat. Add chicken or salmon (skin sides down); cook chicken until cooked through, 3–5 minutes per side or cook salmon until skin is crisp, 5–7 minutes, then flip and cook until cooked through, 1–2 minutes more. Turn off heat; transfer to a cutting board. Wipe out pan.

5.

Stir **⅓ cup water** (**⅔ cup for 4 servings**) and **remaining stock concentrate** into pan. Stir in **chickpeas**, then bring to a simmer. Cook until liquid has slightly reduced, 1–2 minutes. Reduce heat to low, then stir in **half the apricots** (**save the rest for serving**), **half the cilantro**, **1 TBSP butter** (**2 TBSP for 4**), and a **squeeze of lemon juice** until combined. Season with **salt** and **pepper**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Fish is fully cooked when internal temperature reaches 145°.

2.

In a small bowl, combine **sour cream**, **lemon zest**, a **squeeze of lemon juice**, and a **pinch of garlic**. Add **water** 1 tsp at a time until mixture reaches a drizzling consistency. Season with **salt** and **pepper**.

4.

While couscous cooks, heat a **large drizzle of olive oil** in a large pan over medium-high heat. Add **zucchini** and **onion**; season with **salt** and **pepper**. Cook, stirring, until softened and lightly browned, 5–7 minutes (**7–10 minutes for 4 servings**). Add **Tunisian Spice Blend** and **remaining garlic**. Cook, stirring, until fragrant, 1 minute.

Use pan used for chicken or salmon here.

6.

Season **couscous** with **salt** and **pepper**; divide between bowls. Top with **chickpea mixture** and **creamy lemon sauce**. If you've got some on hand, drizzle with **hot sauce** from your pantry if desired. Sprinkle with **remaining apricots** and **remaining cilantro**. Serve with **remaining lemon wedges** on the side.

Slice **chicken** crosswise. Top bowls with sliced **chicken** or **salmon** (skip slicing!).
