MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Trim and thinly slice **scallions**, separating whites from greens. In a small bowl, combine **sour cream**, **2 TBSP mayonnaise**, and **1 tsp Tex-Mex paste** (4 TBSP mayonnaise and 2 tsp Tex-Mex paste for 4 servings).

2.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **scallion whites**; cook, stirring, until softened, 1–2 minutes. Add **pork**, **garlic powder**, and **remaining Tex-Mex paste**; cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a plate. Wipe out pan.

Open package of **chicken** and drain off any excess liquid. Swap in chicken (no need to break up into pieces!) or **beef** for pork.

3.

Place **tortillas** on a clean work surface. Evenly sprinkle one half of each tortilla with **cheese**; top with **pork mixture**. Fold tortillas in half to create **tacobitas**.

4.

Melt **1 TBSP butter** in a large, preferably nonstick, pan over medium heat. Add **tacobitas** and cook until tortillas are crisped, 1–2 minutes per side. (Depending on the size of your pan, you may need to work in batches, adding 1 TBSP butter between each batch.)

5.

Divide **tacobitas** between plates. Drizzle with **Tex-Mex crema** and garnish with **scallion greens**.
