MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Dice **potatoes** into ½-inch pieces. Trim and thinly slice **scallions**, separating whites from greens. Crush **crispy fried onions** in their package (**snip a hole in the bag first if there's too much air**). Place potatoes in a medium pot with enough **salted water to cover by 2 inches**. Bring to a boil and cook until tender, 10–12 minutes. Drain, then rinse potatoes under cold water; transfer to a large bowl and refrigerate until ready to use in Step 5.

2.

While potatoes cook, place **¼ cup flour** (**½ cup for 4 servings**) in a shallow dish. Crack **one egg** (**two eggs for 4 servings**) into a separate shallow dish; beat with **2 TBSP water** (**4 TBSP for 4**). Place **panko** and **crushed crispy fried onions** in a third shallow dish. Season all three dishes with **salt** and **pepper**.

3.

Pat **pork** dry with paper towels. Place between two large pieces of plastic wrap; pound with a mallet or heavy-bottomed pan until pork is about ⅓ inch thick. Season all over with **salt** and **pepper**. Working one piece at a time, press pork into **seasoned flour** until fully coated. Gently shake off excess, then dip both sides into **beaten egg**. Let excess egg drip off, then press into **seasoned panko** until fully coated. (**For less mess, use tongs to dip and transfer!**)

4.

Heat a **⅓-inch layer of oil** in a large pan over medium-high heat. Once oil is hot enough that a **pinch of flour** sizzles when added to the pan, add **coated pork** (**for 4 servings, cook in batches, adding more oil between batches if necessary**). Cook until golden brown and cooked through, 3–5 minutes per side. (**If pork begins to brown too quickly, lower that heat!**) Transfer to a paper-towel-lined plate.

5.

To bowl with **cooled potatoes**, add **scallion whites**, **mustard**, **half the vinegar**, and **2 TBSP mayonnaise** (**4 TBSP for 4 servings**); stir until thoroughly combined. Season with **salt** and **pepper** to taste. Refrigerate until ready to serve.

6.

Heat a **drizzle of oil** in a second large pan over medium-high heat. Add **cabbage**, **remaining vinegar**, **½ tsp sugar** (**1 tsp for 4 servings**), **salt**, and **pepper**; cook until cabbage has wilted, 2–3 minutes. Divide **pork**, **potato salad**, and cabbage between plates in separate sections. Top pork with **scallion greens**.

*Pork is fully cooked when internal temperature reaches 145°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.
