MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to boil. **Wash and dry produce.** Peel and finely chop **garlic**. Trim and quarter **zucchini** lengthwise, then slice crosswise into ¼-inch-thick pieces. Grate **Parmesan** over a small bowl (**skip this step if pre-shredded**).

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **½ cup pasta cooking water (1 cup for 4 servings)**, then drain.

3.

While pasta cooks, melt **1 TBSP butter (2 TBSP for 4 servings)** in a large pan over medium-high heat. Add **panko, garlic, a pinch of salt, and pepper**. Cook, stirring, until golden brown, 3–5 minutes. Turn off heat; transfer to a plate. Wipe out pan.

4.

Open package of **chicken** and drain off any excess liquid. In pan used for panko, heat a **drizzle of oil** over medium-high heat. Add chicken and season with **half the Italian Seasoning, salt, and pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a second plate. Wipe out pan.

5.

Heat a **drizzle of oil** in same pan over medium-high heat. Add **zucchini**; season with **remaining Italian Seasoning, salt, and pepper**. Cook, stirring frequently, until browned and tender, 4–7 minutes. Stir in **pesto, stock concentrate, and half the reserved pasta cooking water**. Cook, stirring, until slightly reduced, 1 minute. With the back of a spoon or spatula, gently mash zucchini until it starts to soften (**there should still be some large chunks**).

6.

Add **drained pasta and chicken** to pan; toss to coat in **sauce (if needed, stir in more reserved pasta cooking water a splash at a time until pasta is thoroughly coated)**. Remove from heat; stir in **1 TBSP butter (2 TBSP for 4 servings)** and **half the Parmesan**. Season with **salt and pepper** to taste. Divide pasta between bowls. Top with **garlicky breadcrumbs** and remaining Parmesan.

*Poultry is fully cooked when internal temperature reaches 165°.
