CHEF'S TIP

After making your compound butter (aka hotel butter) in Step 1, it's important to keep it at room temperature until it adorns your cooked-to-perfection steak in Step 6. Instagram-worthy butter drips will ensue as soon as it's dolloped.

MORE IS MORE

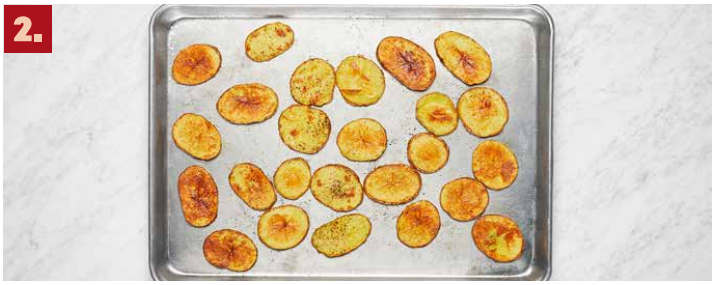

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Preheat oven to 450 degrees. **Wash and dry produce.** Finely chop **parsley**. Peel and finely chop **garlic**. Place **2 TBSP butter** (4 TBSP for 4 servings) in a small microwave-safe bowl; microwave until just softened, 5–10 seconds. Stir in 1 tsp parsley (2 tsp for 4) and a pinch of garlic. Season with **salt** and **pepper**.

2.

Cut **potatoes** into ¼-inch-thick rounds. Toss on a baking sheet with a **large drizzle of oil**, **salt**, and **pepper**; spread out evenly across entire sheet. (For 4 servings, you may need to divide between 2 sheets.) Roast until browned and tender, 18–20 minutes.

3.

While potatoes roast, heat a large dry pan over medium-high heat. Add **almonds** and cook, stirring often, until golden brown and fragrant, 5–6 minutes. Turn off heat; transfer to a plate and set aside to cool.

4.

Pat **steak** dry with paper towels; season all over with **salt** and **pepper**. Heat a **large drizzle of oil** in pan used for almonds over medium-high heat. Add steak and cook to desired doneness, 3–5 minutes per side. Transfer to a cutting board to rest. Reserve pan.

5.

Trim **green beans** if necessary; add to pan used for steak over medium heat. Cook, stirring, until bright green, 2–3 minutes. Pour in **¼ cup water** (⅓ cup for 4 servings) and cover pan. Let steam, shaking pan once or twice, until green beans are tender, 3–4 minutes more. Uncover and add **remaining garlic**. Cook, stirring, until fragrant, 30 seconds. Season with **salt** and **pepper**. Turn off heat.

6.

Thinly slice **steak** against the grain. Divide steak, **green beans**, and **potatoes** between plates. Sprinkle green beans with **almonds**. (Save any leftover almonds for topping salads or oatmeal!) Dollop steak with **garlic herb butter**. Garnish with **remaining parsley**.

**Beef is fully cooked when internal temperature reaches 145°.*
