CHEF'S TIP

If you look closely, you'll see that your steak naturally has lines running through it. To ensure maximum tenderness, slice perpendicular to those lines, aka "against the grain" (as you'll do in Step 6). It'll make the end result 10 bajillion times more delicious (scientific fact).

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Bring a large pot of salted water to a boil. Wash and dry produce. Peel and finely chop garlic. Peel and finely chop ginger. Trim and thinly slice scallions, separating whites from greens. In a small bowl, combine 2 TBSP mayonnaise (4 TBSP for 4 servings) with as much Sriracha as you like.

2.

Once water is boiling, add noodles to pot. Cook, stirring occasionally, until al dente, 5-7 minutes. Reserve ½ cup noodle cooking water (1 cup for 4 servings), then drain and set aside. Pat steak dry with paper towels. In a medium bowl, combine steak, two packets of soy sauce, and 1 tsp sugar (four packets of soy sauce and 2 tsp sugar for 4). Season with salt and pepper; set aside to marinate, stirring occasionally.

3.

While steak marinates, heat a large dry pan over medium-high heat. Add half the sesame seeds (all for 4 servings); toast, stirring frequently, until fragrant and just beginning to brown, 2-3 minutes. Transfer to a second small bowl.

4.

Remove steak from marinade; pat dry with paper towels. Heat a large drizzle of oil in a pan used for sesame seeds over medium-high heat. Add steak; cook to desired doneness, 3-5 minutes per side. Turn off heat; transfer to a cutting board to rest. Wipe out pan.

5.

Heat a drizzle of oil in pan used for steak over medium heat. Add garlic, ginger, and scallion whites; cook, stirring until fragrant, about 1 minute. Add sweet Thai heat sauce and ¼ cup reserved noodle cooking water (½ cup for 4 servings). Cook, stirring, until slightly thickened, 1-2 minutes. Stir in drained noodles, adding splashes of reserved noodle cooking water as needed, until everything is coated in a glossy sauce.

6.

Slice steak against the grain. Divide noodles between bowls and top with steak. Drizzle with Sriracha mayo. Garnish with scallion greens, toasted sesame seeds, and as many chili flakes as you like.

**Beef is fully cooked when internal temperature reaches 145°.*
