CHEF'S TIP

Heat it up! Add your favorite hot sauce to the table for those who can really take the heat.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Bring a large pot of salted water to a boil. Wash and dry produce. Cut broccoli into bite-size pieces if necessary. Trim and thinly slice scallions, separating whites from greens.

2.

Once water is boiling, add pasta to pot. Cook, stirring occasionally, until al dente, 9-11 minutes. Reserve 1 cup pasta cooking water (2 cups for 4 servings), then drain.

3.

While pasta cooks, heat a drizzle of oil in a large pan over medium-high heat. Add broccoli, scallion whites, a pinch of salt, and pepper. Cook, stirring occasionally, until browned and tender, 4-6 minutes.

4.

Reduce heat to low; stir in cheddar, cream cheese, sour cream, Vidalia onion paste, garlic powder, and ½ cup reserved pasta cooking water (¾ cup for 4 servings). Cook, stirring constantly, until sauce is smooth and slightly thickened, 1-2 minutes. Turn off heat.

5.

Stir drained pasta into pan with sauce until thoroughly coated. (If pasta seems dry, stir in splashes of reserved pasta cooking water as needed.) Taste and season with salt and pepper. Divide between bowls and top with crispy fried onions and scallion greens.
