CHEF'S TIP

Want to nail the perfect pot of rice? Once the water boils, immediately cover the pot with a tight-fitting lid and reduce the heat. Simmer until no water remains (resisting the urge to peek too often!). Finally, let the pot sit off heat while you finish cooking. This allows the moisture to redistribute, giving you tender, fluffy grains.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Peel and finely chop garlic. Heat a drizzle of oil in a small pot over medium heat. Add garlic; cook, stirring, until fragrant, 30-60 seconds. Stir in rice, stock concentrate, half the Mexican Spice Blend, 1 ¼ cups water (2 ¼ cups for 4 servings), and a pinch of salt. Bring to a boil, then cover and reduce heat to low. Cook until rice is tender, 15-20 minutes. Keep covered off heat until ready to serve.

2.

While rice cooks, dice tomato. Drain corn. Zest and quarter lime.

3.

Open package of chicken and drain off any excess liquid. Heat a drizzle of oil in a large pan over medium-high heat. Add chicken and remaining Mexican Spice Blend; season with salt and pepper. Cook, stirring occasionally, until chicken is browned and cooked through, 4-6 minutes.

4.

Meanwhile, in a small bowl, combine tomato, corn, a squeeze of lime juice, and a pinch of salt and pepper. Set aside. In a separate small bowl, combine sour cream, a squeeze of lime juice, a pinch of lime zest, and as much hot sauce as you like. Taste and season with salt and pepper.

5.

Wrap tortillas in damp paper towels. Microwave until warm and pliable, 30 seconds. Lay tortillas on a clean work surface. Spread bottom half of each tortilla with lime crema, then top with ¼ cup rice. (You'll have some rice left over—save for serving!) Top with chicken and as much corn salsa as you like (draining first). Fold up bottom side of each tortilla over filling, then fold over left and right sides toward the filling. Starting with filled sides, roll up tortillas to form burritos.

6.

Halve burritos and divide between plates along with remaining rice and any remaining corn salsa.

**Poultry is fully cooked when internal temperature reaches 165°.*
