CHEF'S TIP

Layer the flavors! Leftover fried chicken, sliced cabbage, cashews, or anything else in your kitchen? Add whatever sounds good to mix up the combination of flavors and textures.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Zest and quarter lime. Trim and thinly slice cucumber into rounds. Thinly slice jalape□o into rounds, removing ribs and seeds for less heat. Roughly chop cilantro, including tender stems.

2.

In a small bowl, combine sweet Thai chili sauce, 2 TBSP mayonnaise (4 TBSP for 4 servings), juice from half the lime, a pinch of lime zest, and as much Sriracha as you like (if needed, add splashes of water until sauce reaches a drizzling consistency). Set aside. In a separate small bowl, combine cucumber, vinegar, ½ tsp sugar (1 tsp for 4), and a pinch of salt. Set aside to pickle, stirring occasionally.

3.

Heat a drizzle of oil in a large pan over medium-high heat. Add beef; season with salt and pepper. Cook, breaking up meat into pieces, until browned and cooked through, 4-6 minutes. Stir in sweet Thai heat sauce; cook until beef is thoroughly coated and sauce is glazy, 30-60 seconds. Turn off heat; transfer to a medium bowl. Wash and thoroughly dry pan.

4.

Heat a ⅓-inch layer of oil in same pan over medium-high heat. While oil is heating, separate wonton wrappers. Once oil is hot enough that a piece of wonton wrapper sizzles when added to pan, add wonton wrappers (be sure to separate into individual sheets before adding to pan!). Fry, flipping occasionally, until light golden brown, 30-60 seconds. (Work in batches to avoid crowding pan. If wrappers begin to brown too quickly, slightly reduce heat. Wrappers will darken a shade when taken out of frying oil!) Transfer wonton chips to a paper-towel-lined plate.

5.

Place queso blanco and ½ TBSP water (1 TBSP for 4 servings) in a second medium microwave-safe bowl; whisk to combine. Microwave until warmed through, 15-20 seconds.

6.

Divide half the wonton chips between large plates. Layer with half the beef, half the pickled cucumber (draining first), half the jalape□o, half the queso blanco, and half the sweet chili mayo. Top with remaining wonton chips; repeat layers once more with remaining toppings. Garnish with cilantro and sesame ginger crunch. Serve with remaining lime wedges on the side.

**Ground Meat is fully cooked when internal temperature reaches 160°.*
