CHEF'S TIP

Heat it up! Add extra chili crisp and sliced fresh chili peppers to the table so everybody can customize their own bowls.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Trim and thinly slice scallions, separating whites from greens. Trim and halve zucchini lengthwise; slice crosswise into ½-inch-thick half-moons.

2.

Heat a drizzle of oil in a medium pot over medium-high heat. Add scallion whites; cook, stirring, until fragrant, about 1 minute.

3.

Add zucchini and pork to pot and season with salt and pepper. Cook, breaking up meat into pieces, until zucchini is tender and pork is browned and cooked through, 4-6 minutes.

4.

Meanwhile, in a small bowl, whisk together peanut butter, sweet soy glaze, stock concentrates, and Szechuan paste until well combined and no lumps of peanut butter remain.

5.

Stir 4 cups water (8 cups for 4 servings) and sauce mixture into pot with zucchini and pork. Bring to a simmer, then add noodles; cook, stirring occasionally, until noodles are tender, 5-7 minutes. Taste and season with salt and pepper.

6.

Divide soup between bowls and drizzle with as much chili crisp as you like. Top with scallion greens.

**Ground Meat is fully cooked when internal temperature reaches 160°.*
