CHEF'S TIP

Top it off! Crispy bacon, extra cheese, hot sauce, and even sour cream are all fun additions to bring to the table, so everyone can customize their own bowl.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Trim and thinly slice **scallions**, separating whites from greens. Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **½ cup pasta cooking water** (1 cup for 4 servings), then drain. (Keep empty pot handy for Step 4.)

2.

While pasta cooks, place **¼ cup flour** (½ cup for 4 servings) in a shallow dish. Crack **one egg** (two eggs for 4) into a separate shallow dish; beat with **2 TBSP water** (4 TBSP for 4). Place **panko** in a third shallow dish. Season all three dishes with **salt** and **pepper**. Open package of **chicken** and drain off any excess liquid. Toss chicken in **seasoned flour** until fully coated. Gently shake off excess, then dip into **beaten egg** to coat. Let excess egg drip off, then toss in **seasoned panko** until fully coated. (For less mess, use tongs to dip and transfer!)

3.

Heat a **⅓-inch layer of oil** in a large pan over medium-high heat. Once oil is hot enough that a **pinch of seasoned panko** sizzles when added to pan, add **coated chicken**. Cook, flipping occasionally, until golden brown and cooked through, 4–6 minutes. (Work in batches if necessary to avoid crowding pan.) Transfer to a paper-towel-lined plate; season with **salt**.

4.

Melt **2 TBSP butter** (4 TBSP for 4 servings) in pot used for pasta over medium-high heat. Add **scallion whites**; season with **salt** and **pepper**. Cook, stirring, until softened, 30–60 seconds. Add **1 TBSP flour** (2 TBSP for 4); cook, stirring, until flour is lightly browned, 1 minute more. Reduce heat to medium; add **1 tsp salt** (2 tsp for 4). Gradually stir in **stock concentrate** and **1 cup milk** (2 cups for 4); bring to a simmer and cook, stirring, until slightly thickened, 2–3 minutes. Remove from heat; stir in **Monterey Jack** and **cheddar** until melted.

5.

Stir **drained pasta** into **cheese sauce**; taste and season with **salt** and **pepper**. If needed, stir in **splashes of reserved pasta cooking water** until everything is coated in a creamy sauce. Divide **mac 'n' cheese** between bowls. Top with **chicken nuggets**. Drizzle with **BBQ sauce** and sprinkle with **scallion greens**.

**Poultry is fully cooked when internal temperature reaches 165°.*
**Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.*
